

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1-3. (cancelled)

4. (currently amended): Protection gear against harmful insects comprising: The protection gear against harmful insects according to claim 3, wherein the protection net further comprises

a protection net made of ventilative cloth to cover at least one of a face, a head, a trunk, arms, hands, legs, and feet of a human body, the protection net being coated with at least one of an insecticide and an insect repellent using a binder;

a fastener for fastening the protection net to the human body;

an elastic frame configured to separate the protection net from the human body by a predetermined distance, wherein one surface of the protection net is adhesive so that the protection net can be attached to the elastic frame; and

a base paper adhered to the adhesive surface of the protection net such that the protection net can be attached to the elastic frame after removing the base paper from the protection net.

5. (previously presented): The protection gear against harmful insects according to claim 4, wherein the other surface of the protection net is sticky so that harmful insects can be captured.
